

Pt. Name : Master. N. Venkata Rama Devansh  
Age/Sex : 1 Yrs / Male  
Ref by : Gummadi Children Hospital, Guntur.,

Date : 01/03/2020  
Bill No : 02/20/0283  
Hospital : Gummadi Children Hospital

**Culture & Sensitivity Report**

Source of specimen : Stool  
Sample collection date : 28-02-20  
Reporting date : 01-03-20

Organism isolated : Escherichia coli.

| <u>Sensitive To</u>    | <u>Intermediate To</u> | <u>Resistant To</u>     |
|------------------------|------------------------|-------------------------|
| AMOXICLAV              | GENTAMYCIN             | AZITHROMYCIN            |
| AMIKACIN               | LEVOFLOXACIN           | AMP/SULBACT             |
| IMIPENEM               | OFLOXACIN              | CEFAZOLINE              |
| CEFOPERAZONE/SULBACTUM | CEFOPERAZONE           | TIGECYCLINE             |
| MEROPENEM              |                        | NITROFURANTOIN          |
| GEMIFLOXACIN           |                        | SPARFLOXACIN            |
| TETRACYCLINE           |                        | CEFTRIAXONE             |
| CEPHOTAXIM             |                        | CIPROFLOXACIN           |
|                        |                        | PIPERACILLIN/TAZOBACTUM |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
|                        |                        |                         |
